Dear Madam,

Our Mr. Gordon sailed after Christmas for New York on his way to Arizona to visit his youngest son there. We do not expect him back before the end of March. In view of your letter we have thought it wise to write a letter to Miss Mason, a copy of which we enclose.

Yours faithfully,

William Hunter Gordon

I read the letter to Miss Mason - she was too ill to dictate an answer & I said - I suppose I had better tell her about the Mr. C. W. Smith information & she said "yes". The idea in my mind was that Mr. G. wanted the information. We had the deed of Incorporation with him & that Mrs. has studied a copy in the 21

Dear Madam,

Our Mr. Gordon, accompanied by his wife, left at the end of last year for New York on his way to Arizona, to visit his youngest son there. He had intended to write to you before he left, but was very pressed, and not in the best of health; so he asked us to write you early in the new year to remind you that nothing further had been done with regard to the disposition which you had contemplated making in 1921 with reference to the Parents' National Educational Union. If you wish us to make any further inquiries from the Revd. M. Costley-White as to how far the incorporation of the Union has proceeded, it occurs to us that we might be carrying out these inquiries pending Mr. Gordon's return, *which will probably be in March.*

Yours faithfully,

(Sd.) GORDON, HUNTER & DUNCAN.

Dear Sir,

Miss Mason, deceased.

We are acting for the Executors of the Will of the late Miss Mason, and shall be glad if you will make a valuation for Probate purposes of all the personal effects of Miss Mason in and about the House of Education and the house on the other side of the road. You will no doubt recollect that brief particulars should be given in the valuation of any particular articles which you value at £20 or over.

We have let Miss Kitching know that we have given you instructions, and she will, no doubt, make any arrangements necessary to enable you to carry these out.

Yours faithfully,

GORDON, HUNTER & DUNCAN.

Dear Miss Kitching,

Miss Mason's Estate.

Many thanks for your letter of the 2nd.

Yes; please have the Income-tax paid now, and when you have received the receipt perhaps you would kindly send it on to me together with the other receipted accounts?

Thanks for the details of the Assessments of property. I think they will probably prove useful.

With regard to the valuation of the houses and land; I have, at Mr. Lewis's suggestion, asked Mr. George Aitchison of Church Street, Ambleside, to undertake this. He is at present away from home, but will no doubt communicate with you with a view to arranging an appointment on his return.

Please excuse my delay in answering your letter, but I have been up in London on business.

Yours sincerely,

N. McQueen

Dear Miss Kitching

This is my first day at the office. I got home on Saturday. I cannot come before 12th. But shall try to come so as to spend Friday 13th in Ambleside. I should get to Windermere late on Thursday, stay at Riggs & come over to Ambleside early on Friday morning. I suppose I shall be able to meet Mr Lewis, but that Mrs Franklin is not likely to be in the neighbourhood. I think we shall need the help of the Accountant

to get out particulars required for purpose of Probate. Would it be possible to have him there during Friday? Could you ask him, or telegraph his address to me so that I can do so?

With kind regards,
Yours sincerely
